Message from Governor David Y. Ige

On behalf of the people of Hawai'i, I send my *aloha* to the Hawai'i State Federal Credit Union (HSFCU) employees, member-owners and guests attending its annual meeting.

As a non-profit financial cooperative, owned and operated by its more than 84,000 members, Hawai'i State FCU and its 250 plus employees have provided professional financial services in Honolulu since its inception in 1936. With branches located on O'ahu and Maui and shared-branches located throughout the

state and the nation, the credit union works tirelessly to provide its members with a full range of services from high-interest savings and checking accounts to mortgage and consumer loans, and credit and debit cards.

The Hawai'i State FCU also supports its member-owners by staying true to its philosophy of "being always right by you," offering excellent customer service delivered with the spirit of *Aloha*.

I am confident that Hawai'i State FCU will continue to help its member-owners thrive and maximize their opportunities to reach and sustain their own fiscal health by providing financial services that are trustworthy, dependable and secure.

Mahalo for your dedication and I wish you continued success in all your future endeavors.

Sincerely,

David Y. Ige

Governor, State of Hawai'i

Message from Mayor Kirk Caldwell

Aloha. I am pleased to congratulate Hawaii State Federal Credit Union officers and board of directors for another successful year.

Chartered in 1936, Hawaii State Federal Credit Union has become one of the largest and most trusted credit unions in the state.

Throughout its history, Hawaii State Federal Credit Union has maintained its small town roots while keeping pace with technological advances and regulatory changes in the financial services industry.

Services such as your Private Line and free Online Banking system allow 24-hour access for your members. Your wide range of financial services, including IRAs; mortgage loans; home equity lines of credit; credit and debit cards; a dividend-earning checking account; high-dividend savings; and low auto and personal loan rates, provide members with important methods to build and manage wealth.

Our community is grateful for your significant contributions, including support of the Friends of the Library of Hawaii. On behalf of the people of the City and County of Honolulu, I extend best wishes for continued success.

Aloha,

Kirk Caldwell

Mayor, City and County of Honolulu

3

On behalf of the Board of Directors, I am pleased to report to our member owners, that 2014 was a year of record growth for Hawaii State Federal Credit Union.

Despite a challenging economic environment and increasing regulatory pressures, Hawaii State Federal Credit Union (HSFCU) continues to grow, offering more convenient services and greater value to our members.

Here are some of the highlights of the year:

- HSFCU grew to more than \$1.35 billion in assets making it one of Hawaii's largest financial institutions. HSFCU is financially strong with more than \$150 million in capital. Despite maintaining some of the lowest fees and best rates in Hawaii, we generated \$4.5 million in income in 2014.
- We doubled our new member growth rate in 2014, allowing us to provide financial solutions to over 84,000 members across the state.
- We successfully developed and implemented our new brand and tagline, "Always Right By You," differentiating HSFCU from other financial institutions, emphasizing the high level of service and personal care we provide members.
- We were awarded the Best Credit Union by the Honolulu Star Advertiser; most "liked" Hawaii Credit Union; and named one of the Best Places to Work by Hawaii Business Magazine.
- We continued to help our members and support the community we serve. We awarded \$30,000 to students pursuing higher education in the Lowell Kalapa Scholarship Program, gave \$20,000 in grants to public school teachers in the Investing in Education Program, and continued our support as a major sponsor of the Friends of the Library of Hawaii.
- We are actively protecting members against fraud. For example, we were the first financial institution in Hawaii to add EMV Chip technology to our credit cards.
- We added a mobile banking app and began offering mobile check deposits for greater convenience.

The Board thanks you for your continued support of the credit union. We have never been more excited about our prospects for the future and remain steadfast on our path to emerge as a leader in Hawaii's financial services.
