Message from Governor David Ige

On behalf of the people of Hawai'i, I send my *aloha* to the Hawai'i State Federal Credit Union (HSFCU) employees, member-owners and guests attending its annual meeting.

As a non-profit financial cooperative, owned and operated by its more than 90,000 members, the Hawai'i State FCU and its 270 employees have provided professional financial services in Honolulu for the past 79 years. With branches located on O'ahu and Maui, the credit union works tirelessly to provide

members with a full range of services including high interest savings and checking accounts, mortgage and consumer loans, and credit and debit cards.

The Hawai'i State FCU also supports its member-owners by staying true to its philosophy of being "always right by you," offering excellent customer service delivered with the spirit of *aloha*.

I am confident that the Hawai'i State FCU will continue to help its member-owners thrive and maximize their opportunities to research and sustain their own fiscal health by providing financial services that are trustworthy, dependable and secure.

Mahalo for your dedication and I wish you continued success in all your future endeavors.

Message from Mayor Kirk Caldwell

I am pleased to send my warmest aloha to the members of the Hawaii State Federal Credit Union.

Mahalo to the Board of Directors, management, and staff for their dedication and commitment to providing members with services needed to reach their financial goals. Congratulations on publishing this annual report that describes the operations and financial performance and chronicles the Credit Union's activities over the past year.

The Hawaii State Federal Credit Union maintains its standing as one of Hawaii's largest credit unions by expanding and improving its services to members and making banking more secure and accessible.

On behalf of the people of the City and County of Honolulu, I extend deep appreciation for its contributions to our local economy and best wishes for continued success.

Alona,

Kirk Caldwell

Mayor, City and County of Honolulu

⁾

Chairman's Message to Members

Aloha Fellow Members,

On behalf of the Board of Directors, I am pleased to report to our members, that 2015 was a year of record growth for Hawaii State Federal Credit Union.

As the Hawaii economy improves, so does Hawaii State Federal Credit Union (HSFCU). It is the goal of the Board to strive to

continuously offer more convenience and services in order to provide value to our members.

Here are some highlights of the past year:

- HSFCU grew to more than \$1.4 billion in assets making us one of Hawaii's largest financial institutions. HSFCU is financially strong with more than \$158 million in capital. While maintaining some of the lowest fees and best rates in Hawaii, we generated \$7.5 million in income in 2015.
- HSFCU membership grew to where we now offer financial solutions to more than 90,000 members across the state.
- HSFCU was awarded the "Hawaii's Best Credit Union" by the Honolulu Star Advertiser's reader poll. We were also the most "liked" Hawaii credit union on Facebook, and were named one of the Best Places to Work by Hawaii Business Magazine.
- HSFCU continues to help our members and support the communities we serve.
 We've awarded \$30,000 to students pursuing higher education in the Lowell Kalapa Scholarship Program, gave \$20,000 in grants to public school teachers through the Investing in Education Program, and have continued our support as a major sponsor of the Friends of the Library of Hawaii.
- In this new era of cyber security concerns, we are proactively protecting members
 against fraud. HSFCU was the first financial institution in Hawaii to add EMV Chip
 technology to all credit and debit cards. Constant vigilance and personal relationships
 with our members as well as our online and mobile app technologies provide
 members with peace of mind protection against fraud.

The Board thanks you for your continued support of the credit union. We have never been more excited about our prospects for the future and remain steadfast on our path to provide our members with improved and updated financial services.

Supervisory Committee Report

The Supervisory Committee is pleased to report that Hawaii State Federal Credit Union continued to operate in accordance with sound financial principles and within applicable laws and regulations in 2015.

Federal regulations require supervisory committees to ensure the board of directors and management of credit unions meet required financial reporting objectives, and establish practices and procedures sufficient to safeguard members' assets.

To fulfill our responsibilities, we contracted with a certified public accounting firm to perform an independent audit of the credit union's financial statements as of December 31, 2015; directed an internal audit program to evaluate and improve the credit union's effectiveness of risk management, controls, and governance processes; worked with the National Credit Union Administration's (NCUA) examiners; monitored the activities of the Board of Directors and management; investigated member complaints; participated in educational programs; verified closed memberships; and conducted special investigations or studies as we considered necessary.

We would like to express our gratitude to the credit union's Board of Directors and management for their support in helping us to serve you in 2015.
